## FREE INTERACTIVE WORKSHOPS ON POLITICS, ECONOMICS & CITIZENSHIP

### Free Workshops – Register Now

Politics, economics and citizenship can be difficult topics for young people (14-19)

Exciting, deliberative workshops - hosted by theatre facilitators - can make the issues easier to understand.

YCAA NW are offering over 80 secondary schools and youth groups in the NW the chance to engage their young people in issues that affect their daily lives (100 to 250 students per workshop).
